

Consulting Property Taxes, LLC

Maria A. (Bonnie) Parlatto | Senior Property Tax Advisor

We would like to offer our services in evaluating and protesting your residential, commercial and personal properties.

This is the time to contact us so we can prepare for the protested season due date May 15th, 2025.

With our services you will have a reasonable appraised value for each of your properties. We will prepare and timely file a protest or other documents necessary to challenge the property tax assessments. We will represent you in the ARB, and you will not have to attend any hearings with the Appraisal District as we do all the work for you.

Our company has been working and reviewing property taxes in the state of Texas for over 15 years and we have been very successful in reducing the amount paid in property taxes.

We charge 30% of the Estimate Tax Savings based on the reduction of the *Total Market Value* of your property(ies). If your Total Market Value is not reduced, you will not be charged this contingency fee.

Contact us for a **FREE** consultation at (956) 458-0171. You can also reach us via email at bonnie.consultingpropertytaxes@gmail.com. We look forward to working with you.
